7 EXPLANATION OF CORRECTION

I corrected this report as ordered to itemize all incoming funds. I matched a list from payroll contributions with the bank statements. I added each name, address, and occupation for each incoming transfer. I will do it the correct way from now on and I now have the tools to make that happen now. I corrected the total money held for this period as well. I think I originally recorded the amount held at the time of the report instead of the amount held at the end of the reporting period. I am sorry for the trouble and I will work hard to ensure mistakes are no longer made.

8 AFFIDAVIT

I swear, or affirm, under penalty of perjury, that this corrected report is true and correct.

Check the box next to any and all applicable statements:

Semiannual reports: I swear or affirm, that the original report was made in good faith and without an intent to mislead or to misrepresent the information contained in the report.

I swear, or affirm, that any error or omission in the report as originally filed was made in good faith.
