**7 EXPLANATION OF CORRECTION**

I corrected #5, Monetary Contributions maintained as of the last day of the reporting period. As I was completing the January 2024 report and looking back to the first report I had filed, I realized that I had reported the amount of monetary contributions "received", not "maintained" as of the last day of the reporting. The July 2023 report was my first time filing this report and I corrected it as soon as I discovered the error.
