7 EXPLANATION OF CORRECTION

As I was filing the current July TEC report, I had an epiphany and realized that I have been incorrectly filing a balance line item; a true and honest mistake. I was appointed the new PAC Treasurer for our organization after our previous Treasurer abruptly departed in March and I have been learning the filing procedures and policies since taking over. I called the TEC Legal Dept., and spoke with Seth, who has been a great help, and assured me human errors do occur but the fact that I took immediate action to remedy my error was a great first step in ensuring our reporting is accurate.

On the original filing for this June report the incorrect figure was reported on schedule for funds maintained (contribution balance) on the last day of the reporting period. As soon as I realized and learned, on July 3rd, that I have not been reporting the correct figure for this line item, I immediately went back, checked my reports, and made the appropriate corrections required for previous reports. This correction now accurately reflects the correct contribution balance that was maintained as of the last day of this reporting period.

I sincerely apologize for the error on my part as, again, it was not made intentionally. This has been quite the learning experience for me as this is a volunteer position, one of many that I have for the Texas State Rifle Association. I am now confident moving forward, with future reports, that I have a better understanding of what is required to ensure an accurate report. I thank you in advance for your understanding.

8 AFFIDAVIT
