Information entered by filer as a memo:

Campaign received a contribution from Fieldstead and Company. Did not initially deposit since we thought the company was a corporation, however the check was inadvertently deposited along with some other campaign checks later. Campaign was going to return the money, but upon further research and a letter from the company, have determined that the company is not a corporation. Therefore the campaign is able to accept the donation and will not be returning the \$2,000.
