7 EXPLANATION OF CORRECTION

I logged into to the electronic filing application in order to begin my semi-annual report that is due 1/15/2025. I always begin this process by reviewing reports from pre previous semi annual period- a 6 month look back. I noticed that this particular report had a lot of missing information including an incomplete upload of the contributions I received. Upon realizing this today 1/12/2025, I immediately began making corrections to the report and fixed my upload. I am not sure what error lead to the missing information (highly likely a user error on my part), however I have corrected and added any and all information that was missing.

8 AFFIDAVIT

I swear, or affirm, under penalty of perjury, that this corrected report is true and correct.

Check the box next to any and all applicable statements:

Semiannual reports: I swear or affirm, that the original report was made in good faith and without an intent to mislead or to misrepresent the information contained in the report.
